

Thule introduces the Thule Coaster bike trailer as part of the new Thule Active with Kids category

Thule introduces, as part of the new product category 'Active with Kids', the Thule Coaster bike trailer. Easy to use with simple steps and a possible rapid conversion from bicycle trailer to stroller makes it a smart choice for an active lifestyle along with children and family.

Thule Coaster is a durable bicycle trailer that provides a safe, comfortable ride and easily transforms to a stroller once you reach your destination. The Thule Coaster bike trailer is the natural choice for an active family that is not in need of all the multi-functional features in the Thule Chariot child carrier range, but wants to enjoy an active life together with the kids in a simple and smart manner.

Features – Thule Coaster Bike Carrier

- Easy conversion from cycling to strolling
- Secure attachment to bike using Thule's patented ezHitch™
- On-board storage of strolling wheel
- Extra storage space for hauling around cargo
- HeightRight adjustable handlebar for parents comfort

About Thule

The Thule brand was established in Sweden in 1942. Thule is now a premium brand that is used around the world. Under the motto *Bring your life*, Thule offers a wide assortment of products to simplify the transportation of everything you care about in a secure, safe and stylish way. Roof racks, bike and water sport carriers, roof boxes, child carriers, accessories for recreational vehicles, trailers for an active life (horses, boats etc), snow chains as well as luggage, bags and backpacks are just some examples of what Thule currently offers.

Thule is the largest brand in the Thule Group.
