Seymour, Conn., October 13, 2017

Thule introduces an all-new four-wheeled stroller, and launches new three-wheel jogging strollers at ABC Kids Expo 2017, Las Vegas, Nevada, USA.

Thule's eagerly awaited four-wheel stroller, Thule Sleek, is introduced to North America at the ABC Kids Expo 2017, along with updates to Thule's popular and award-winning strollers, Thule Urban Glide and Thule Glide for active parents.

Thule Sleek is a smart, stylish, and safe stroller for urban explorers and their kids. It has a lightweight and contemporary design, outstanding maneuverability, and superior comfort for both parent and child. Not one day is like the other, and not one child or parent is like the other. That's why you can configure Thule Sleek to match the needs of your family; from your baby's birth and as your little one grows. Add a bassinet, a sibling seat, or a car seat; bring one, two or even three kids; mount the seat in parent-facing or forward-facing position – Thule Sleek will simply be the stroller you make it.

At Thule, nothing less than the highest standards are met when it comes to design and flexibility, and safety and quality. After all, Thule Sleek is made for the most important people in the world. It has been tested to the limits to meet the highest safety standards and to make sure it will keep going strong for years to come. All so that you and your child are free to enjoy your urban explorations in safety and comfort.

Thule Sleek comes in five carefully selected colors – Grey Melange, Midnight Black, Shadow Grey, Navy Blue, and Energy Red – and has a range of matching accessories.

Thule Sleek will be available in stores from June 2018.

Thule Urban Glide 2 three-wheel stroller has a modern and lightweight design, making it perfect for an active family that enjoys the great outdoors as well as getting around town. The design includes large 16" wheels, suspension for comfort and control, and a swivel front wheel for strolling and maneuvering around town that quickly and easily locks in place for jogging or rougher terrain.

Your child will be comfortable for on-the-go naps with the help of a vented reclining seat and a large sun canopy that protects from the elements. The enclosed storage compartment also lets you safely and securely take gear with you to make the most of your day.

Thule Urban Glide 2 is available in four colors: Dark Shadow, Mars, Thule Blue, and the stylish Black on Black, a sophisticated eye-catcher. Thule Urban Glide 2 Double is available in Jet Black. For added convenience and comfort, Thule Urban Glide 2 has a range of accessories, including bassinet and click-in car seat adapter.

Thule Urban Glide 2 will be available in stores from January 2018.

Thule Glide 2 is a running stroller designed for parents to get out for a run on different types of terrain, all in a fast, lightweight design, and with a fixed front wheel, large 18" wheels that provide room for your kick stride.

Packed with intelligent design features, the Thule Glide 2 keeps children comfortable and safe. The fully adjustable, padded harness delivers a perfect fit and the ventilated canopy protects from the elements. The rear suspension also means your child can relax and enjoy the ride, while the padded seat reclines to allow on-the-go naps. Thule Urban Glide 2 is available in Jet Black.

Thule Glide 2 will be available in stores from January 2018.

Held this year from October 17-19, 2017, the ABC Kids Expo (All Baby & Child) is a partnership of juvenile industry manufacturers and retailers organized for the purpose of promoting the children's products industry, at the Las Vegas Convention Center in Las Vegas, Nevada, USA. With over 1,000 exhibitors utilizing 3,300 booths in nearly one million square feet of exhibit space, ABC Kids Expo welcomes more than 10,000 industry buyers, exhibitors, media, and retailers.

The Thule booth is located on the second floor of the South Hall, #2743
