Thule Strollers International Product Manager, Sara Berggren, says:

"Thule Spring is made for motion, for all the times you get in or out of the door, navigate narrow streets, shop for groceries or meet up with friends. Thule Spring will simplify your day with a one-hand fast fold, self-standing design and compact footprint to make it perfect for urban adventures."

Thule Spring canopies are colorful and durable and are made from refined fabrics for a sophisticated look. To expand the functionality of your stroller, you can choose from a wide selection of accessories. Thule Spring has been tested to exceed the highest safety standards, ensuring it will keep going strong for years to come.
